

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 4824**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Heidelberg Materials Southwest AGG LLC (CN605858687) has submitted an application for Renewal of Permit Number 4824. The Bridgeport Plant (RN102413937) produces crushed stone at 1443 South Highway 101, Chico, Wise County.

This renewal will authorize the continued operation of a rock crushing and screening plant. Heidelberg Materials Southwest AGG LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

| Pollutants | Total Amount Allowed (Tons Per Year) |
|-------------------|---|
| PM | 49.59 |
| PM10 | 19.97 |
| PM2.5 | 3.90 |

The facilities being renewed continue to be controlled by water sprays. Stockpiles and roads will be watered to control dust.
