

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 49062

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

TXI Operations, LP (CN600125157) has submitted an application for renewal of permit number 49062. The TXI – Winnsboro Ready Mix (RN102452513) produces/manufactures concrete at 615 W Broadway Street, Winnsboro, Wood County.

This renewal will authorize the continued operation of our Concrete Batch Plant. TXI Operations, LP has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	1

The facilities being renewed continue to be controlled by Central Dust Collector.
