

## Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 49079

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Westport Orange Shipyard LLC (CN604692541) has submitted an application for renewal of permit number 49079. Westport Orange Shipyard (RN100214303) conducts abrasive blasting and painting at 91 West Front Street, Orange, Orange County.

This renewal will authorize the continued operation of the abrasive blasting and painting facilities and supporting activities. Westport Orange Shipyard LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (Tons Per Year)</b>
VOC	82.85
PM	21.67
PM10	2.56
PM2.5	0.26
Acetone (Exempt Solvent)	8.65

The facilities being renewed continue to be controlled by placing shrouding to help confine particles from abrasive blasting and painting operations, using airless spray guns to decrease the amount of overspray during painting operations, and using pollution prevention practices to decrease the amount of emissions being evaporated into the air.
