

**Plain Language Summary for New Source Review (NSR) Renewal Certification  
Application for Air New Source Review Permit Number 52818**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Excalibar Minerals LLC (CN603271586) has submitted an application for renewal of permit 52818. The rock crushing and grinding facility (RN102920741) produces/manufactures crushed, ground, and packaged barite and calcium carbonate at 2400 Appelt Drive, Houston, Harris County.

This renewal will authorize the continued operation of material stockpiles, crushers, conveyors, roller mills, storage silos, heaters, truck load out stations, and supporting operations. Excalibar Minerals LLC has certified that there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
PM	42.59
PM10	40.79
PM2.5	1.73
NOx	4.56
CO	9.08
VOC	0.6
SO2	0.06

The facilities being renewed continue to be controlled by baghouses and water spraying.
