

**Plain Language Summary for Renewal of Concrete Batch Plant Standard Permit  
Application for Concrete Batch Plant Standard Permit Registration Number 54968**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Pavestone, LLC (CN604062943] has submitted an application to renew a specialty concrete batch plant under the Air Quality Standard Permit for Concrete Batch Plants for registration number 54968. The concrete batch plant (RN102827391) is located at 3215 State Highway 360, Grapevine, Tarrant County.

This registration will authorize the concrete batch plant to have a maximum production rate of 30 cubic yards per hour of concrete and operate up to 8,760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and flyash. Roads and traffic areas will be controlled by paving them to control dust. Dust from stockpiles will be minimized by watering. Enclosures and baghouses will be used to control cement and flyash dust.
