

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 55353**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Martin Marietta Materials Southwest, LLC (CN606114726) has submitted an application for renewal of permit number 55353. The Rock Crushing Facility (RN104992698) produces/manufactures crushed concrete to be used as construction material at 3600 Schalker Drive, Houston, Harris County 77026.

This renewal will authorize the continued operation of the primary and secondary crushers, screen unit, as well as conveyor systems. *Martin Marietta Materials Southwest, LLC* has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
Particulate Matter (PM)	5.31
Particulate Matter (PM10)	2.25

The facilities being renewed continue to be controlled by the use of water sprays for dust suppression control.
