

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 56316**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Forterra Pipe and Precast, LLC., (CN600474654), has submitted an application for Renewal of Permit Number 56316. The Austin Pipe facility (RN103170288) is a Concrete Pipe and Precast Product Manufacturing plant at 801 Airport Blvd, Austin, Travis County.

This renewal will authorize the continued operation of the Austin Pipe facility in Austin, Texas. The Forterra Pipe and Precast, LLC., has certified that there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutants	Total Amount Allowed (Tons Per Year)
PM	6.38
PM ₁₀	3.14
PM _{2.5}	0.50

The facilities that are renewed continue to be controlled by dust collection systems and filters.
