

Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 56595

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Snider Industries, LLP (CN601676984) has submitted an application for renewal of permit number 56595. The Snider Industries Sawmill/Sawmill and Planing Mill (RN100211671) produces/manufactures lumber at 3311 Sue Belle Lake Road, Marshall, Harrison County.

This renewal will authorize the continued operation of the sawmill, drying kilns, planing mill, and ancillary wood byproduct handling equipment. Snider Industries, LLP has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
Particulate Matter	10.65
including PM-10	8.5
and PM2.5	8.5
Volatile Organic Compounds (including HAPs)	57.0
HAPs in Aggregate (Site-Wide)	< 25
Individual HAP (Site-Wide)	< 10

The facilities being renewed continue to be controlled by enclosing equipment and removing dust particles with cyclones which lowers dust going into the air.
