

**Plain Language Summary for New Source Review (NSR) Renewal Certification  
Application for Air New Source Review Permit Number 6218**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Acme Brick Company (CN600124549) has submitted an application for renewal of permit number 6218. The Acme Brick Featherlite El Paso Black Plant (RN102444304) produces/manufactures concrete block at 325 N Americas Ave, El Paso, El Paso County.

This renewal will authorize the continued operation of a concrete block plant. Acme Brick Company has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
PM10	4.1
PM	2.82
SO2	0.03
NOx	2.95
CO	2.47
VOC	0.21

The facilities being renewed continue to be controlled by application of dust mitigation processes and fabric filter baghouses.
