

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 6296A**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Brauntex Materials, Inc. (CN600618581) has submitted an application for renewal of permit number 6296A. The Aggregate Plant (RN101060960) produces crushed stone located at 1504 Wald Rd, New Braunfels, Comal County.

This renewal will authorize the continued operation of a rock crushing and screening plant. Brauntex Materials, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	3.79
PM ₁₀	1.53
PM _{2.5}	0.26

The facilities being renewed continue to be controlled by water sprays. Stockpiles and roads are watered to control dust.
