

**Plain Language Summary for New Source Review (NSR) Renewal  
Application for Air New Source Review Permit Number 689**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Martin Marietta Materials Southwest, LLC (Martin Marietta) (CN 606115699) has submitted an application for renewal of permit number 689. The MM – Silsbee Ready Mix Plant (RN 102564002) produces/manufactures Ready-Mixed Concrete at 2100 W Martin Luther King Jr. Drive, Silsbee, Hardin County.

This renewal will authorize the continued operation of the concrete batch plant, consisting of silos, a weigh hopper, and a central dust collector. Martin Marietta has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

<b>Pollutant</b>	<b>Proposed Emissions (tons per year)</b>
PM	3.816
PM10	1.266
PM2.5	0.206

The facilities being renewed continue to be controlled by a central dust collector.
