

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 71798**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Smyrna Ready Mix Concrete, LLC (CN605629245) has submitted an application for renewal of permit number 71798. The SRM Madisonville Plant 468 (RN 103177259) produces/manufactures Concrete Batch Plant at 2159 Interstate 45 North Freeway Service Road, Madisonville, Madison County.

This renewal will authorize the continued operation of [a concrete batch plant (each emission source does not need to be listed, but instead a summary of what the facilities are). Smyrna Ready Mix Concrete, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
Cement PM10	1.85
Agg Materials PM10	1.43
Fly Ash PM10	0.17

The facilities being renewed continue to be controlled by silo baghouses, dust collector, and cement recycling system; not a BACT discussion.
