

Plain Language Summary for New Source Review (NSR) Renewal Application for Air New Source Review Permit Number 73277

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Viterra USA Grain, LLC (CN603434374) has submitted an application for renewal of permit number 73277. The grain elevator (RN102998259) receives, stores, and ships grain at 24889 Port Road, Harlingen, Cameron County.

This renewal will authorize the continued operation of the grain receiving, handling, storage, and shipping equipment. Viterra USA Grain, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM	25.95
PM ₁₀	8.56
PM _{2.5}	1.45

The facilities being renewed continue to be controlled by “choke feeding” when receiving grain and the use of drop socks to ship grain.
