

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 7351A**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Texas Materials Group, Inc. (CN600317473) has submitted an application for renewal of permit number 7351A. The Asphalt Concrete Plant (RN102498045) produces/manufactures asphalt at 4601 East Scyene Road Sunnyvale, Dallas County, Texas 75181.

This renewal will authorize the continued operation of the asphalt production facility. Texas Materials Group, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (Tons Per Year)
PM	12.09
PM10	7.72
PM2.5	0
NOx	15.37
SO2	17.15
VOC	47.84
CO	34.76

The emissions from the facility being renewed will continue to be controlled by dust collectors, paving of roads and traffic areas, and watering of roads, traffic areas, and stockpiles.
