

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 73852L001**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

CSA Materials, Inc. (CN 600497804) has submitted an application for renewal of permit number 73852L001. The Eagle Crusher #2 (RN 104442058) produces crushed rock at 7118B N. Faudree Rd, Odessa, Ector County.

This renewal will authorize the continued operation of the rock crushing plant. CSA Materials, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	16.65
PM ₁₀	9.39
PM _{2.5}	9.39
CO	2.82
NO _x	49.60
SO ₂	7.38
VOC	0.56

The facilities being renewed continue to be controlled by spray bars at the inlet and outlet of all crushers, screens, and material transfer points to control dust. Roads, traffic areas, and stockpiles are watered to control dust.
