

## Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 74195

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Armortex, Inc. (CN603200635) has submitted an application for renewal of permit number 74195. The facility (RN104444526) produces/manufactures bullet resistant material at 5926 Corridor Parkway, Schertz, Texas, Guadalupe County, 78154.

This renewal will authorize the continued operation of two resin applicators (with heat presses), a resin storage tank, two abrasive cutters, a paint booth, and cleanup activities. Armortex, Inc has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
STYRENE	9.99
ACETONE	0.01
VOC	7.13
ACID	0.05
PM	0.27
PM10	0.27
Individual HAP	<10.00
Total HAPs	<25.00

The facilities being renewed continue to be controlled by two Torit 5,800 CFM baghouses and the paint booth is controlled by filters with 95% efficiency.
