

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 74879**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Behr Process LLC (CN600308258) has submitted an application for renewal of permit number 74879. The Behr Process-Roanoke Facility (RN104559752) produces/manufactures paint and coatings at 701 Gateway Parkway, Roanoke, Denton County.

This renewal will authorize the continued operation of coating manufacturing and packaging. Behr Process LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	4.7
PM-10	0.651

The facilities being renewed continue to be controlled by a baghouse.
