

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 75113

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

OK Concrete Company (CN 601033533) has submitted an application for renewal of permit number 75113. The Olney Concrete Batch Plant (RN 101302479) produces concrete and is located at 319 S Ave C, Olney, Young County.

This renewal will authorize the continued operation of a concrete batch plant. OK Concrete Company has certified that there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Proposed Emissions (tons per year)
PM	0.26
PM ₁₀	0.22
PM _{2.5}	0.22

The facilities being renewed continue to be controlled by watered roads and stockpiles, a water fog ring for the truck drop point, and baghouses for the weigh hopper and silos.
