

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 76080L001**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Jobe Materials, L.P. (CN602822363) has submitted an application for renewal of permit number 76080L001. The New Finney Crusher (RN104064241) produces/manufactures crushed stone and aggregate at 16001 Montana, El Paso, El Paso County.

This renewal will authorize the continued operation of the crushing, screening, washing, and storage of rock and aggregates. Jobe Materials, L. P. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	24.7
PM10	9.0
PM2.5	1.1

The facilities being renewed continue to be controlled by the use of water sprays on transfers, crushes, and screens and by the application of water to the roadways via water trucks.
