

Plain Language Summary for Renewal of Concrete Batch Plant Standard Permit
Application for Concrete Batch Plant Standard Permit Registration Number 77803L001

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Williams Brothers Construction Co., Inc. (CN600520019) has submitted an application to renew Temporary concrete batch plant under the Air Quality Standard Permit for Concrete Batch Plants for registration number (77803L001). The concrete batch plant (RN104843511) is located 0.50 miles North from the intersection of IH-10 and Womack Rd. Orange, Orange County, Texas 77632.

This registration will authorize the concrete batch plant to have a maximum production rate of 200 cubic yards per hour of concrete and operate up to 5824 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and flyash. Roads and traffic areas will be controlled by *watering them* to control dust. Dust from stockpiles will be minimized by *watering*. Enclosures and baghouses will be used to control cement and flyash dust.
