

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 79313

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Lakefield Veterinary Group, Inc. (CN606387363) has submitted an application for renewal of permit number 79313. The South Central Equine Crematory (RN104996624) produces/manufactures equine cremation services at 28234 FM 2920, Waller, Harris County.

This renewal will authorize the continued operation of an animal carcass incinerator. Lakefield Veterinary Group, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
NO _x	2.63
CO	8.76
VOC	2.63
PM	6.13
SO ₂	2.19

The facilities being renewed continue to be controlled by controlling incinerator temperature, oxygen, and throughput levels.
