

**Plain Language Summary for New Source Review (NSR) Renewal Application  
for Air New Source Review Permit Number 80205**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

TRICON PRECAST, LTD (CN600134449) has submitted an application for renewal of permit number 80205. The New Braunfels Plant (RN105089601) produces/manufactures Precast Concrete Products at 21248 Old Nacogdoches Road, New Braunfels, Comal County.

This renewal will authorize the continued operation of a concrete batch plant used for the manufacture of precast concrete products. TRICON PRECAST, LTD has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

<b>Pollutant</b>	<b>Proposed Emissions (tons per year)</b>
PM10/hr	3.83
PM10/yr	11.41

The facilities being renewed continue to be controlled by emissions reduction practices and equipment, including water sprays, the use of washed materials, central dust collectors, silo dust collectors, and surface watering of in-plant traffic areas.
