

**Plain Language Summary for New Source Review (NSR) Amendment Application for Air New Source Review Permit Number 8262**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Stella-Jones Corporation (CN604501403) has submitted an amendment application for permit number 8262. The Stella-Jones Corporation (RN101638906) produces and manufactures treated wood at 5865 S US Hwy 69, Lufkin, Angelina County.

This amendment seeks to authorize the installation and use of a new direct steam-fired kiln using the existing boiler steam production for wood conditioning. There will be no increase in production with the addition of the new kiln.

<b>Pollutant</b>	<b>Proposed Emissions (tons per year)</b>
VOC	41.32
PM	44.91
PM <sub>10</sub>	40.69
PM <sub>2.5</sub>	24.50
SO <sub>2</sub>	3.12
