Application for Air New Source Review Permit Number 91606**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Intra-Services, Inc. (CN603302795) has submitted an application for an application for an amendment to permit number 91606. Intra Services (RN104712021) will conduct tank cleaning and hose rentals at 16217 Ridlon St, Channelview, Harris County.

This amendment will authorize an increase in the vessel throughput capacity of the site, increase the non-detectable VOC level, and remove double-counted emissions associated with specific equipment. Intra-Services, Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the current amount allowed, the amount to be added or removed, and the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

<b>Pollutant</b>	<b>Permitted Emissions (tons per year)</b>	<b>Emissions Added/Removed (tons per year)</b>	<b>Total Proposed Emissions (tons per year)</b>
