

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 9260**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Martin Marietta Materials Southwest, LLC (CN606114726) has submitted an application for renewal of permit number 9260. The Beckmann Crushing Plant (RN102512126) produces/manufactures crushed and broken limestone at 18495 NW Military Hwy, San Antonio, Bexar County.

This renewal will authorize the continued operation of the Beckmann Crushing Plant. Martin Marietta Materials Southwest, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	49.08
PM10	22.42
PM2.5	3.67

The facilities being renewed continue to be controlled by water sprays at material transfer points as necessary and the application of water to plant roads, traffic areas and stockpiles.
