

**Plain Language Summary for New Source Review (NSR) Renewal Certification  
Application for Air New Source Review Permit Number 946A**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Johns Manville (CN601719065) has submitted an application for renewal of permit number 946A. The Cleburne facility (RN100213719) is a fiber glass manufacturing plant at 200 W. Industrial Blvd, Cleburne, Johnson County.

This renewal will authorize the continued operation of the fiberglass manufacturing practices. Johns Manville has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
NO <sub>x</sub>	188.88
CO	547.5
VOC	263.31
IOC	9.25
