

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 94937**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Hydril USA Distribution LLC (CN604574160) has submitted an application for renewal of permit number 94937. The Hydril USA Distribution JFK Campus (RN101621167) produces/manufactures oil and gas pressure field machinery equipment at 3300 North Sam Houston Parkway E., Houston, Harris County.

This renewal will authorize the continued operation of painting and surface coating operations. Hydril USA Distribution LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	0.09
PM10	0.05
PM2.5	0.04
VOC	18.70
ES	10.35
Individual HAP	<10.00
Combined HAP	<25.00

The facilities being renewed continue to be controlled by enclosed paint booths equipped with filters, use of high volume low pressure (HVLP) application equipment with air atomized spray, and minimizing the amount of chemical usage.
