

**Plain Language Summary for New Source Review (NSR)
Renewal Certification
Application for Air New Source Review Permit Number 95412**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

WI Texas Frac LLC (CN605320530) has submitted an application for renewal of permit number 95412. The Texas Frac site (RN106078322) produces industrial sand at 14596 North FM 373 in Saint Jo, Cooke County.

This renewal will authorize the continued operation of the sand processing plant. WI Texas Frac LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	0.90
PM	12.38
PM ₁₀	8.70
PM _{2.5}	6.61
NO _x	26.32
CO	13.71
SO ₂	2.33

The facilities being renewed are controlled by dust collectors, water sprays, enclosures, and/or visible emissions inspections.
