

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 98666**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Delek Refining, Ltd (CN603962549) has submitted an application for renewal of permit number 98666. The Tyler Refinery (RN100574078) produces/manufactures frac tanks and containers at 1805 Howard Road, Waxahachie, Howard County.

This renewal will authorize the continued operation of frac tank and container manufacturing. Southern Frac, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	18.74
Exempt Solvents	32.34
PM	0.02
PM10	<0.01
PM2.5	<0.01

The facilities being renewed continue to have no controls other than paint booth filters.
