

**Texas Commission on Environmental Quality  
Regional Notification  
Standard Permits/Permits by Rule Relocation Form**

This form should be used in two circumstances: 1) Voluntarily for specified portable facilities under standard permit; and 2) As required for specified facilities under permit by rule (PBR) - see Section II. A Core Data Form is required if Section I(A) is not completed or when the facility is moving to a new location. Checklists for the individual standard permit or PBR, as well as any appropriate referenced Tables should be attached, along with supporting information as requested in the form below. All information should be mailed or faxed to the appropriate regional office and any local air pollution control programs.

**IV. Signature for Notification**

The signature below indicates that I have knowledge of the facts herein set forth and that the same are true and correct to the best of my knowledge and belief. I further state that to the best of my knowledge and belief, the facility will satisfy the conditions and limitations of the indicated standard permit or permit by rule. The facility will operate in compliance with all regulations of the Texas Commission on Environmental Quality and with U.S. Environmental Protection Agency regulations governing air pollution.
