Biography: Kim Strong, P.E.

Air Permits Division
Texas Commission on Environmental Quality

Current Position

Kim is an Assistant Deputy Director in the Air Permits Division over the Operating Permits, Rule Registrations, Operational Support and Business Support Sections.

Prior Experience and Education

Kim received a Bachelor of Science degree in Agricultural Engineering from Texas A&M University. She joined the agency in June 1997 and has held many roles in the Air Permits Division. Kim was a permit reviewer, technical specialist, and team leader in the Operating Permits Section. She became the manager of the Operational Support Section in July 2013. She served as the Special Assistant to the Division Director from April of 2019 until becoming the Assistant Deputy Director in September 2019. Kim is a licensed professional engineer in Texas.
