

Biography: Kristyn Campbell
Air Permits Division
Texas Commission on Environmental Quality

Current Position

Kristyn is the Section Manager for the Rule Registrations Section.

Prior Experience and Education

Kristyn received her Bachelor of Science degree in Environmental Science from Baylor University. Upon graduation, she briefly worked as a contractor with the University of Texas at Arlington in the Enforcement Division of the Texas Commission on Environmental Quality. In the fall of 2012, Kristyn joined the Rule Registrations Section as an environmental permit specialist and served as a Team Leader in the section from 2015 to 2019. In 2019, Kristyn became the Section Manager for the Rule Registrations Section. In her current role, Kristyn is responsible for supervising two teams that review permit by rule and standard permit projects
