

Biography: Melissa Ruano
Air Permits Division
Texas Commission on Environmental Quality

Current Position

Melissa is the team leader for the Emissions Banking and Trading (EBT) Programs.

Prior Experience and Education

Melissa graduated from Saint Mary's College of California in 2007 with a Bachelor of Science degree in Biology. Upon graduation, she worked for the San Joaquin Valley Air Pollution Control District in Fresno, California as an Air Quality Specialist in the grant and incentive programs. In 2010, Melissa moved from Fresno to Austin to pursue a career at the Texas Commission on Environmental Quality. In her current position, Melissa is responsible for leading the EBT team in reviewing applications for various programs. Melissa has fourteen years of experience with the EBT Programs.
