

Biography: Samuel Short
Air Permits Division
Texas Commission on Environmental Quality

Current Position

Samuel is the Deputy Director of the Air Permits Division.

Prior Experience and Education

Samuel received a Bachelor of Science degree in Wildlife Biology from Texas State University. He began his career with the Texas Commission on Environmental Quality in August 2005 as an enforcement coordinator in the Enforcement Division and in February 2012 he became the work leader for the Drinking Water Enforcement Team. In April 2015, Samuel joined the Air Permits Division as the manager of the Rule Registrations Section. He also served as the manager of the Energy Section and assistant deputy director of the Air Permits Division before moving to his current position in September of 2019.
