

Texas Commission on Environmental Quality
On-Site Sewage Facility Program

Approved Product - Treatment Unit

Product Name: Hoot
Model Name: LA-500 TPS
Manufacturer: Hoot Aerobic Systems, Inc.
Product Type: Treatment Unit
Capacity: 500

Contact: Hoot Aerobic Systems, Inc.
Address: 2885 Highway 14 E
Lake Charles, LA 70607
Phone: (337) 474-2804 (337) 474-2804
Website: <http://www.hootsystems.com/>

Technical Notes: Suffix S = straight walled, one piece tank with lid. Average influent wastewater characteristics were outside the 30-day averages specified by NSF/ANSI Standard 40, but were within the average for the overall test, supporting that mass loading of the influent was adequate. The 30 day effluent values were 10 mg/l or less with no effluent values discarded despite the influent variability.

Restrictions: None.

Certifying Agency: NSF International
Certification Standard: NSF Standard 40
