Subject: Anua Aerocell® and Anua BioCoir® Products Approvals

Dear Mr. Bishop:

We have completed our review of the Anua products listed in the table below. The listed products are approved for use in Texas. This approval is based on:

- the NSF Standard 40 certifications and scaling certifications of the products,
- TCEQ approval of the training, operating, and installation documents for the products.

After reviewing the training, operation, maintenance, and installation documents as well as the certification documents from NSF, TCEQ approves the products listed below:
