NOTE:

The following report summarizes OSSF permitting activity where a TCEQ regional office is the permitting authority. TCEQ does not conduct permitting activities where an authorized agent has delegated authority.

There are a number of instances where a county may not have an agreement to administer OSSF requirements within the limits of an incorporated municipality, TCEQ will conduct permitting activities within these municipalities unless the municipality has been delegated OSSF authority.

TCEQ's permitting activity in these municipalities is summarized by county in the following report. TCEQ does conduct permitting in 59 counties which have no authorized agent and these activities are also summarized in the following report.
