

Biography: J. Alfonso Martinez III
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Work Leader for the Domestic Permits Team.

Prior Experience and Education

Alfonso Martinez received his Bachelor of Science degree in Civil Engineering from Texas Tech University in 2008 and a Masters of Engineering in Environmental Engineering from the University of Texas at El Paso in 2011. He joined the TCEQ in September 2012 as a permit coordinator for the Water Quality Division in the Central Office in Austin.

As a Work Leader/permit coordinator, his tenure at the agency has been focused on the discharge and land application of domestic wastewater, as well as closure guidance of municipal wastewater treatment facilities. Those duties include reviewing and drafting permits in accordance with state and federal regulations, representing the agency at public meetings and contested case hearings, and providing technical advice to, and interacting with federal, state and local governments, industry representatives, the general public, the Texas legislature, and other programs within the agency.
