

Biography: Erwin Madrid
Water Quality (WQD) Division
Texas Commission on Environmental Quality

Current Position

Erwin Madrid is a Program Supervisor (Team Lead) for the Applications Review and Processing Team of the Water Quality Division of the TCEQ.

Prior Experience and Education

Erwin started his career at TCEQ in 2009 by completing the Mickey Leland Internship summer program. After the internship, Erwin continued contracting with the TCEQ working on several projects with the Office of Waste and Office of Water before joining TCEQ full-time in 2013. He spent 8 years working in the Occupational Licensing Section of the Permitting and Registration Support Division, of which 3 of the years was serving as the Work Leader for the Wastewater and Installer Licensing Group of the TCEQ.
