

Biography: Jennifer Bowers

Water Quality (WQD) Division
Texas Commission on Environmental Quality

Current Position

Jennifer Bowers is a Manager for the WQ Support Section in the Water Quality Division of the TCEQ.

Prior Experience and Education

Jennifer Bowers started her career at TCEQ in 2016 as the Technical Recruiter, developing strategies for engineering and information technology recruitment. Prior to joining the WQD, she served as the Work Leader over Employee Compensation and Benefits Administration Team. As the Support Section Manager, she leads the Applications, Review and Processing, the Customer Information and Assistance, and the WQ Information Specialists Teams. Prior to TCEQ, Jennifer spent ten years working in private industry as an HR Manager for an electronics manufacturing firm in Central Texas, where she was also responsible for environmental health and safety. Jennifer received a bachelor's degree in business administration from the University of North Texas, and an MBA from Texas State University.
