

Biography: Mary Huseman
Stormwater Team
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Mary Huseman began her full-time employment with the University of Texas at Arlington as a contractor for the TCEQ Stormwater Team in June 2023. Her work includes reviewing and processing permit applications and providing administrative assistance to regulated entities and the public concerning the stormwater Construction General Permit (TXR150000), the Multi-Sector General Permit (TXR050000), and the Phase II (Small) Municipal Separate Storm Sewer System (MS4) General Permit (TXR040000) under the Texas Pollutant Discharge Elimination System (TPDES) program.

Education

Mary graduated *Cum Laude* with a Bachelor of Science degree in Allied Health from Texas A&M University in College Station in May 2023. Her coursework included a variety of health fields, including medical, public, and environmental. During her educational career, she worked as an administrative assistant and bus driver for the University.
