

# IT'S TIME TO RENEW

## YOUR STORMWATER CONSTRUCTION GENERAL PERMIT AUTHORIZATION!

TCEQ has renewed the **Construction General Permit (CGP, TXR150000)**, which authorizes the discharge of stormwater associated with construction activities into surface water in the state.

Our records indicate that you have an existing authorization under this general permit. Your authorization number is on the mailing label of this postcard.

To continue your authorization, you must reapply by **June 5, 2023**.

- You must complete and submit a **renewal** Notice of Intent (NOI) or Low Rainfall Erosivity Waiver (LREW) application, as applicable, online. **Application fee - \$225 to submit.**
- To apply, use STEERS to access **ePermits** at [www.tceq.texas.gov/goto/steers](http://www.tceq.texas.gov/goto/steers) and fill out your **renewal** NOI or LREW. To use STEERS, create an account or log into your existing account.

**No longer need your authorization?** Submit a Notice of Termination (NOT) using STEERS to access **ePermits** at [www.tceq.texas.gov/goto/steers](http://www.tceq.texas.gov/goto/steers). **NOT - No fee to submit.**

Find the **2023 CGP** and information on how to apply for coverage at: [www.tceq.texas.gov/permitting/stormwater/construction](http://www.tceq.texas.gov/permitting/stormwater/construction).
