

# Tier II Chemical Reporting Program Announcements

## Texas CAMEO® for Planning

*Sponsored by TDEM via HMEP grant funds*

Two 5-week courses are available for Texas Tier II Data Managers and Emergency Planners. The course will focus on how to use the CAMEO® Suite Software to plan for hazardous material incidents.

**Please see the attached flyer for detailed class information!**

## Request for Texas LEPC Feedback

Would you mind taking a few minutes to complete this survey?

## Upcoming: Training for Emergency Management Officials

*Hosted by TCEQ Tier II Program staff*

Ensure you have the most up to date Tier II data for emergency planning and response. Tier II staff will show you how to request access to the TCEQ Tier II database, to obtain Tier II reports for your local jurisdiction.

Training dates are being scheduled in March. **Stay tuned for more information!**
