

**Industrial and Hazardous Waste Fees Stakeholder Group
Waste Permits Division
Texas Commission on Environmental Quality**

**May 12, 2022
10:00 AM
TCEQ, Park 35 (Austin) Campus
Agenda Room, Bldg. E, Room 201S and Virtually**

Minutes of May 12, 2022 meeting

Opening Remarks – Brent Wade, Director, Office of Waste

Information Presentation – Garrett Heathman, Technical Specialist, Waste Permits Division

Q&A Session – No questions were received

Public Comment –

- One oral comment was received recommending IHW include the fee report and payment in STEERS
- One written comment was received recommending IHW implement a more balanced generation and management fee structure; align management fees with neighboring states; balance in-state and out-of-state disposal fees; implement a volume discount for waste remediation projects; review the facility fee for Class 1 wastes; and implement more automation for fee calculations and payments

Closing Remarks – Charly Fritz, Deputy Director, Waste Permits Division
