**Description of Update** (for Class 3 Modifications and Amendments only)

List and explain any changes this modification or amendment would make to the two sections above—**Waste Management Information** and **Pollution Control Methods**.

This application is for the renewal of Hazardous Waste Permit No. 50398. The portions of the facility that are covered by this permit renewal application are the Boiler No. 5, Boiler No. 9, Tank-683, Tank-1041, Tank-330, Tank-519, Tank V-3026, and Container Storage Building. The Boiler No. 4 concrete pad was closed and will be removed from the permit as a Class 1 Modification. Tank V-3026 has been added as a Class 2 Modification, which qualifies as a Minor Amendment. No changes will be made to the Pollution Controls Method.
