

Texas Commission on Environmental Quality

Notice of Application and Preliminary Decision for Municipal Solid Waste Permit Modification

Permit No. 42D

Application and Preliminary Decision. Waste Management of Texas, Inc. has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit modification to authorize relocation/replacement of two damaged groundwater monitoring wells, MW-10 and MW-23. The facility is located at 1201 N. Central Street, Ferris, Texas 75125 in Dallas County. This application was received by the TCEQ on March 5, 2025. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://arcg.is/1HOeqj2>. For exact location, refer to the application.

The TCEQ executive director has completed the technical review of the application and has prepared a draft permit modification. The draft modification, if approved, would establish the conditions under which the facility must operate. The executive director has made a preliminary decision that this permit modification, if issued, meets all statutory and regulatory requirements. The application, including any updates and notices, is available electronically at the following webpage: <https://www.tceq.texas.gov/goto/wasteapps>.

Public Comment. You may submit public comments about this application. Written public comments must be received in the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087 or electronically submitted to www14.tceq.texas.gov/epic/eComment/ within 23 days after the date this notice is mailed. Please be aware that any contact information you provide, including your name, phone number, email address and physical address will become part of the agency's public record. After the deadline for public comments, the executive director will review and consider the comments. The executive director is not required to file a response to comments. **If approved, notice of issuance will be mailed to everyone who submitted public comments or requested to be on the mailing list for this application. If comments are received, the mailing will also provide an explanation of the opportunity to file a motion to overturn the executive director's decision.**

Mailing List. In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices mailed by the Office of the Chief Clerk. You may request to be added to: (1) the mailing list for this specific application; (2) the permanent mailing list for a specific applicant name and [permit/registration] number; and/or (3) the permanent mailing list for a specific county. Clearly specify the mailing list(s) you wish to be placed on and send your request to the TCEQ Office of the Chief Clerk at the address provided above. Unless you otherwise specify, you will be included only on the mailing list for this specific application.

Information. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the

above link, enter the permit number for this application, which is provided at the top of this notice.

If you need more information about this permit modification application or the permitting process, please call the TCEQ Public Education Program at (800) 687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Waste Management of Texas, L.P. at the mailing address 1600 S. Railroad Street, Lewisville, Texas 75057 or by calling Ms. Mayra Lopez, Environmental Protection Manager, of Waste Management of Texas, Inc. at (469) 455-9804.

This notice was mailed on April 8, 2025.
