

## Inactivate Your Solid Waste Registration

Submit this form to inactivate your Solid Waste Registration (SWR). Generators that meet the qualifications below do not have a notification requirement and should inactivate their SWR.

Facilities that close must also submit Waste Management Unit (WMU) closure information per Texas Administrative Code (TAC) §335.8. Requirements and guidance to close WMUs are at [http://www.tceq.texas.gov/remediation/corrective\\_action/closure.html](http://www.tceq.texas.gov/remediation/corrective_action/closure.html).

Solid Waste Registration Number: \_\_\_\_\_ EPA ID Number: \_\_\_\_\_

Facility Name: \_\_\_\_\_

Check here if the site above will not generate any reportable waste for the current reporting year. Checking this box substitutes for submittal of the Annual Waste Summary for the current year.

Check here to inactivate generator activities on this registration.

Check here to inactivate transporter activities on this registration.

Check here to inactivate receiver activities on this registration.

To inactivate your SWR as a generator, your facility must meet all the following qualifications:

- During the remainder of the current report year and future years, the facility will not generate more than:
  - 220 pounds of hazardous waste each month
  - 220 pounds of industrial Class 1 waste each month
  - 2,200 pounds of hazardous waste during the year
  - 2,200 pounds of industrial Class 1 waste during the year
  - 2.2 pounds of acutely hazardous waste during the year (Acute waste carries a P-listed EPA Waste Number.)
  - 220 pounds of contaminated soil, waste, or other debris resulting from the cleanup of acute hazardous waste spilled into or on land or water
- During the remainder of the current report year and future years, the facility will not store more than:
  - 2,200 pounds of hazardous waste
  - 2.2 pounds of acute hazardous waste
  - 220 pounds of contaminated soil, waste, or other debris resulting from the cleanup of acute hazardous waste spilled into or on land or water

**I certify that the facility with the SWR number above meets all the qualifications listed above, and that I wish to inactivate the SWR.**

Printed Name of Facility Representative: \_\_\_\_\_

Signature of Facility Representative: \_\_\_\_\_ Date: \_\_\_\_\_

Telephone Number: \_\_\_\_\_
