

## Texas Commission on Environmental Quality

### **Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG921028**

**Application.** Robert David Hogg, 7600 Mullins Crossing Road, Miles, Texas 76861 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The CAFO is reconfiguring LMUs 9, 10, & 11, but there is no addition of new land. The notice of change application and the updated NMP were received by TCEQ on April 7, 2015. No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located approximately 10.3 miles east on Highway 67 and 3.7 miles past Douglas Loop and McMillan Road in Tom Green County, Texas. The facility is located in the drainage area of the Concho River in Segment No. 1421 of the Colorado River Basin.

The Executive Director of the TCEQ has approved the proposed non-substantial change to the terms of the NMP. The revised terms of the NMP have been included in the permit record and it is available at the TCEQ's Central Records, 12100 Park 35 Circle Austin, TX 78753.

**Information.** For additional information about this application, contact Hannah Halydier at (512) 239-1315. Si desea información en Español, puede llamar al 1-800-687-4040. General information regarding the TCEQ can be found at our web site at [www.tceq.texas.gov/](http://www.tceq.texas.gov/).

Issued: June 5, 2015
