

Texas Commission on Environmental Quality

Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG920834

Application. E6 Cattle Company, LLC, 1750 County Road 628, Hart, Texas 79043 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant is updating the land management unit (LMU) map to show each LMU acreage as a whole, not based on field splits consistent with cropping plans as previously represented. The currently authorized total land application area of 414 acres remains unchanged. The notice of change application and the updated NMP were received by TCEQ on October 3, 2016.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located at 1750 County Road 628, Hart in Castro County, Texas. The facility is located in the drainage area of the White River Lake in Segment No. 1240 of the Brazos River Basin.

The Executive Director of the TCEQ has approved the proposed non-substantial change to the terms of the NMP. The revised terms of the NMP have been included in the permit record and it is available at the TCEQ's Central Records, 12100 Park 35 Circle Austin, Texas 78753.
