

Texas Commission on Environmental Quality

Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG921223

Application. Gerald and Mary Osterkamp Family Trust & Stonegate Farms Family Limited Partnership, 770 County Road 1038, Muleshoe, Texas 79347 have applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant is updating the land management unit (LMU) map to show each LMU acreage as a whole, not based on field splits consistent with cropping plans as previously represented. In addition, the Applicant is decreasing the acreage of LMU #3 – from 120 acres to 87 acres and using the area for manure storage. The total land application area has decreased from 470 to 437 acres. The notice of change application and the updated NMP were received by TCEQ on January 13, 2017.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located at 770 County Road 1038, Muleshoe, Bailey County, Texas. The facility is located in the drainage area of the Double Mountain Fork Brazos River in Segment No. 1241 of the Brazos River River Basin.

The Executive Director of the TCEQ has approved the proposed non-substantial change to the terms of the NMP. The revised terms of the NMP have been included in the permit record and it is available at the TCEQ's Central Records, 12100 Park 35 Circle Austin, Texas 78753.
